A photograph of a long, straight aisle in a large warehouse. On both sides are tall, blue metal shelving units with multiple levels. The shelves are filled with various items, including large stacks of white-wrapped pallets and boxes. The floor is a light-colored, polished concrete. The ceiling is high with visible metal trusses and long, rectangular skylights that provide natural illumination. The perspective is from the end of the aisle, looking down its length.

A photograph of a warehouse aisle, similar to the one above but from a different angle. The aisle is flanked by blue metal shelving units. In the foreground, there are several large, dark-colored pallets or bundles of material. In the background, a yellow forklift is visible, parked near some more shelving. The floor is concrete, and the ceiling has metal trusses and skylights. The lighting is bright, coming from the skylights.
